When one reads your court case, it's obvious that you had a virus on your computer. It's past time to clean up our corrupt justice system!! You are indeed innocent, Brian, and it's time someone corrects what has happened to you and other innocent people who should not have a criminal history due to being a victim of a crime and not the criminal.

The police, correctional officers and the court system needs to be overhauled and trained on how they are supposed to enforce the law and how to deal with individuals.

This court case was wrong from the very beginning. It has been a complete set-up for Brian, and it makes you wonder how many others have been set up by this corrupt justice system.
